MANAGEMENT LLC,

Defendant.

22-CV-3194 (PGG) (BCM)

**ORDER REGARDING GENERAL
PRETRIAL MANAGEMENT**

BARBARA MOSES, United States Magistrate Judge.

The above-referenced action has been referred to Magistrate Judge Barbara Moses for general pretrial management, including scheduling, discovery, non-dispositive pretrial motions, and settlement, pursuant to 28 U.S.C. § 636(b)(1)(A). All pretrial motions and applications, including those related to scheduling and discovery (but excluding motions to dismiss or for judgment on the pleadings, for injunctive relief, for summary judgment, or for class certification under Fed. R. Civ. P. 23), must be made to Judge Moses and in compliance with this Court's Individual Practices in Civil Cases, available on the Court's website at <https://nysd.uscourts.gov/hon-barbara-moses>. There is no indication on the docket of this action that the defendant has been served with process, and thus no initial conference has taken place and no schedule has been set for motions or any other pretrial proceedings.

Counsel for the plaintiff must serve a copy of this Order on any defendant previously served with the summons and complaint, must serve this Order along with the summons and complaint on all defendants served hereafter, and must file proof of such service with the Court.

The Court notes that plaintiff filed, along with his Complaint, a motion for leave to proceed pseudonymously (as "John Doe") or, in the alternative, to proceed under seal. (Dkt. No. 4.) Defendant shall respond to that motion no later than the date on which its answer or other response to the Complaint is due.

Going forward, parties and counsel should take note of the following:

1. Once a discovery schedule has been issued, all discovery must be initiated in time to be concluded by the close of discovery set by the Court.
2. Discovery applications, including letter-motions requesting discovery conferences, must be made promptly after the need for such an application arises and must comply with Local Civil Rule 37.2 and § 2(b) of Judge Moses's Individual Practices. It is the Court's practice to decide discovery disputes at the Rule 37.2 conference, based on the parties' letters, unless a party requests or the Court requires more formal briefing. Absent extraordinary circumstances, discovery applications made later than 30 days prior to the close of discovery may be denied as untimely.
3. For motions other than discovery motions, pre-motion conferences are not required, but may be requested where counsel believe that an informal conference with the Court may obviate the need for a motion or narrow the issues.
4. Requests to adjourn a court conference or other court proceeding (including a telephonic court conference) or to extend a deadline must be made in writing and in compliance with § 2(a) of Judge Moses's Individual Practices. Telephone requests for adjournments or extensions will not be entertained.
5. In accordance with § 1(d) of Judge Moses's Individual Practices, letters and letter-motions are limited to four pages, exclusive of attachments. Courtesy copies of letters and letter-motions filed via ECF are required only if the filing contains voluminous attachments. Courtesy copies should be delivered promptly, should bear the ECF header generated at the time of electronic filing, and should include tabs for the attachments.
6. If you are aware of any party or attorney who should receive notice in this action, other than those currently listed on the docket sheet, please notify Courtroom Deputy Tamika Kay at (212) 805-0228 immediately.

PLEASE BE AWARE THAT, FOR THE DURATION OF THE COVID-19 NATIONAL EMERGENCY, UNLESS OTHERWISE ORDERED BY THE COURT:

Conferences and Hearings. Court conferences and hearings may be conducted by teleconference, videoconference, or in person. Teleconferences are held on the Court's AT&T line. If a teleconference is scheduled, the parties are directed to call (888) 557-8511 and enter the access code 7746387 a few minutes before the scheduled time. Videoconferences are held using the Court's videoconferencing technology (Microsoft Teams) or (with the prior approval of the Court) such alternative videoconferencing technology as the parties agree upon and arrange. If the Court's technology is used, the Court will provide the link and further instructions in an email to counsel closer to the date of the conference. Please treat teleconferences and videoconferences as you would treat a public court appearance. If a conference or hearing in another matter is ongoing, please be silent (mute your line) until your case is called. In person conferences are held in Courtroom 20A of the Daniel Patrick Moynihan United States Courthouse, 500 Pearl Street, New York, New York.

Remote Depositions. Pursuant to Fed. R. Civ. P. 30(b)(3) and (b)(4), all depositions in this action may be taken via telephone, videoconference, or other remote means, and may be recorded by any reliable audio or audiovisual means. This Order does not dispense with the requirements set forth in Fed. R. Civ. P. 30(b)(5), including the requirement that, unless the parties stipulate otherwise, the deposition be "conducted before an officer appointed or designated under Rule 28," and that the deponent be placed under oath by that officer. For avoidance of doubt, a deposition will be deemed to have been conducted "before" an officer so long as that officer attends the deposition via the same remote means (*e.g.*, telephone conference call or video conference) used to connect all other remote participants, and so long as all participants (including the officer) can clearly hear and be heard by all other participants.
